uMGUNGUNDOVU DISTRICT MUNICIPALITY RECOGNISED BY HIS MAJESTY KING OF THE ZULU NATION

In 2015 His Majesty the King of the Zulu Nation launched the Zulu Kingdom Orders which is the revival of the old custom of Ingxotha, Iminyezane or Ukuxoshisa as the way of recognizing to those who had shown heroic deeds with regards to different activities like in social events and in the army.

It is against this background that the King of the Zulu Nation extended the invite to KZN Districts and Local municipalities including eThekweni Metro to bestow the Order of King Zwelithini on the 10th of June 2016 at eNyokeni Palace. As the custodian of culture and custom as well as the symbol of unity, His Majesty appreciates the invaluable support Local Government has played in the continuous support of transporting the Maidens and Amabutho to the various Royal ceremonies hosted. His Majesty believes that the Order of King Zwelithini will have a far reaching impact to all, and will enhance peace and social cohesion to the Nation at large.

Mayor Bhamjee accompanied by his EXCO team was elated and honoured to receive such an honourable recognition in further assisting in celebrating the heritage of the Zulu Kingdom. uMgungundlovu District Municipality and the Family of Municipalities want to wish His Majesty good health.
